Parent-Teen Driving Contract

To help your new driver succeed, it's important to discuss your expectations. You may want to consider using this contract to write down rules and consequences that are achievable and fair for the new driver. Be sure to check with local authorities for current laws regarding new drivers. Once you've both come to an agreement, sign and date page 2. Review the contract in three months to include more privileges or restrictions based on the driver's performance.
