

If You Are Involved in an Automobile Crash

Recommended steps to take in case of an accident:

1. Stay Calm.

- Call 911
- Determine the extent of injuries or damage.
- Get medical assistance if needed.
- **DO NOT LEAVE THE ACCIDENT SCENE.**

2. Get Necessary Information.

- Exchange license, registration, and insurance information with the other driver.

3. Limit Discussion of the Accident.

- Talk only with the police, your parents or your insurance company/agent.
- Do not admit fault or liability at the scene or at any time.

4. Notify Your Insurance Company.

- Call your insurance company within 24 hours.
- Report even a minor accident.

5. Call the Police to Receive a Copy of the Accident Report.
